Dear Kathy and Benefactors,

I want to thank you for taking me in when I didn't have a place to go to or a person to turn to. If Several Sources didn't exist, I'd probably be somewhere on the streets.

I remember finding out I was pregnant and telling my mom and stepfather and my stepfather telling me he'll pay for my abortion or if I keep the baby I had a month to get out of the house. I knew I'd choose the baby over anything because I know God has sent me a gift. It was the best decision I've ever made, even if I lost everything. Moving into the shelters made me realize I wasn't alone, that there was other girls going through the same thing. That I met a girl named Lor. that was going through the same thing as me. She showed me and taught me things I never knew before.

If it wasn't for Kathy and the benefactors, on February 18, 2016, my son Jayden Nasr Kennedy wouldn't be born. My son has changed my life and made me see everything for the better. Kathy's bible studies have made me reconnect with God and restore my faith when I had lost it all before.

I've become a better person and learned new things about myself. Thank you for saving me and my son for putting a roof over my head when no one else did. Thank you. Can't be sad enough.

God Bless. - Samantha & Jayden

Dear «Primary_Salutation»,

Each day and night - I pray that Our Dear Lord inspire people like you, our dear benefactor - to help our Several Sources Shelters' work to continue and thanks be to God my prayers are always answered.

My heart is filled to overflowing with gratitude because you continue to share the resources God has given you so that we can operate "Our Gift of Hope" pregnancy sonogram center in Englewood, keep answering our 24 hotline for pregnant women and most of all shelter our Several Sources mothers and their babies in need of our safe haven.

Your recent donation of \$XXX is truly a heaven sent blessing which they will remember forever. I am sure your compassion and support brings much joy to Our Lord and Our Dear Blessed Mother. If Heaven has a newspaper, I can only imagine what the headlines say day after day, as you continue to help us to save countless babies' lives - one innocent preborn baby at a time.

I am enclosing a photo of little Jayden and a letter of gratitude from his thankful young mother, Samantha. Please add both of them to your daily prayer list. Be assured that you are on my prayer list and in the prayers of all our mothers too.

Know that because of your charity another innocent preborn life has again been saved and the flame of hope continues to shine in our troubled world.

God bless you and your dear family for all that you do to share His gifts of peace, joy and love with His children in need.

Your Sister in Christ Jesus,

Kathy DiFiore
